FYI, just spoke to Silvina about the logistics for this briefing. Apparently, it will NOT be the 16th now due to Mr. Wright's schedule. Silvina will check with Greg Gervais and get back to me. As you can imagine, they have lots of people out in December and will decide what other date and time works best for the main players in DC.

I imagine we'll want Chris available, then David (or his acting), Ken Marcy, ORC, myself at a minimum. Of course, others will likely be included. If you think differently, please let me know.

Wally

Wanted to pass on the following B.I. tidbits before heading off to turkey day:

- **Wright Briefing – RA participation:** Please include Chris Hladick and Michelle Pirzadeh in any invitations to the Dec. 16 briefing.
- **Wright Briefing - AEL:** Yesterday, I spoke with Greg, Monica, and Silvina about being prepared (by Dec. 16) to discuss inclusion on the Administrator's Emphasis List as an alternative to NPL listing. I agree that we should give this some thought, especially what "immediate and intense action" we would hope to spur via inclusion in the AEL and the relative likelihood of achieving that result absent NPL listing.
- **Wright Briefing – materials:** I'm assuming that we'll have a briefing paper for Peter in addition to the Site Characterization Form that Wally circulated earlier. The paper that Ken sent around last week (on 11/18) is a good start in that direction. Defer to Silvina on how Peter prefers to get information.
- **Email campaign:** Columbia Riverkeeper is running a campaign (<https://www.columbiariverkeeper.org/bradford-island-cleanup>) that has resulted in 339 emails (so far) sent to me and Chris Hladick since Oct. 31. I've attached an example to this message. I've been preserving these in an Outlook folder and can share with others at the appropriate time.

Here is the signed Site Characterization Form with attachments. I'm assuming this will be part of, or all the documentation, for the briefing. Please let Ken Marcy (NPL Listing Coordinator and SAM) and I know what else will be needed.

Thanks,
 Wally

Happy thanksgiving eve,

R10 will have the essential staff available for this briefing. I've added our ORC Land Law Branch Chief, Dean Ingemansen, who will be available as Richard Mednick is unable to attend. If sending an invite directly to us, please include all the R10 folks listed here.

Thanks,
Wally

Silvina – Chris Hladick is working from Seattle that day and appears to be available at that time. Cc'ing the other key regional folks to determine whether we'll have a quorum.

Good afternoon David and Sheila,

It looks like the planned December 18, 2019 at 10:45 am (Eastern Time) may not work out to brief Peter on the Bradford Site. So we are looking at December 16, 2019 at 3:30 pm (ET) as a possibility. Does that work for the Region? Please let us know.

Thank you!
